RESPONSE TO OFFICE ACTION

Sir:

This is responsive to the final Office action of February 24, 2004, and is timely filed.

INTRODUCTORY COMMENTS

Claims 1, 3, 5, 6, 8, 10-12, 16 and 18-20 are pending in the present application. Claims 1, 3, 5, 6, 8, 10-12, 16 and 18-20 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Scifres et al. (U.S. Patent No. 4,280,107) in view of Mifune et al. (U.S. Patent No. 6,324,149).

No claims have been amended or deleted. No new claims have been added. Applicant respectfully contends that the differences between the claimed invention and the prior art are such that the claimed invention is patentably distinct over the prior art.
